FINANCIAL REGULATIONS

These Financial Regulations were adopted by the Council at its Meeting held on 20 September 2007, last amended on 20th July 2017.

1. GENERAL

- 1.1 These financial regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council. The Council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of financial control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These financial regulations are designed to demonstrate how the council meets these responsibilities.
- 1.2 The Responsible Financial Officer (RFO) is a statutory office and shall be appointed by the council. The Clerk has been appointed as RFO for this council and these regulations will apply accordingly. The RFO, acting under the policy direction of the Council, shall administer the Council's financial affairs in accordance with proper practices. The RFO shall determine on behalf of the council its accounting records, and accounting control systems. The RFO shall ensure that the accounting control systems are observed and that the accounting records of the council are maintained and kept up to date in accordance with proper practices.
- 1.3 The RFO shall produce financial management information as required by the council.
- 1.4 At least once a year, prior to approving the annual return, the council shall conduct a review of the effectiveness of its system of internal control which shall be in accordance with proper practices.
- 1.5 In these financial regulations, references to the Accounts and Audit Regulations shall mean the Regulations issued under the provisions of section 27 of the Audit Commission Act 1998 and then in force.
- 1.6 In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in Governance and Accountability in local Councils in England and Wales – a Practitioners' Guide which is published jointly by NALC and SLCC and updated from time to time.

2. ANNUAL ESTIMATES (BUDGET)

- 2.1 Detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the year shall be prepared each year by the RFO in the form of a budget to be considered by the council.
- 2.2 The Council shall formulate proposals in respect of revenue and capital including the use of reserves and sources of funding for the following financial year not later than the end of November each year.
- 2.3 The Council shall review the budget not later than the end of January each year and shall fix the Precept to be levied for the ensuing financial year. The RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved budget.
- 2.4 The annual budgets shall form the basis of financial control for the ensuing year.

- 3.3 The RFO shall every month provide the Council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget.
- 3.4 The Clerk may incur expenditure on behalf of the Council which is necessary to carry out any repair replacement or other work which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure, subject to a limit of £150. The Clerk shall report the action to the Council as soon as practicable thereafter.
- 3.5 In a case of risk to health or safety to an employee, a contractor or a member of the public, and when immediate action is required, the Clerk may approve expenditure of up to £1000 with the agreement of the Chair or Vice Chair and one other councillor in order to mitigate the risk. The Clerk shall report this expenditure to the Council as soon as is practicable thereafter.
- 3.6 Unspent provisions in the budget shall contribute towards the budget for the forthcoming year, and will thus be earmarked for specific use in the forthcoming year. The budget will not be automatically carried forward for the same purpose.
- 3.7 No expenditure shall be incurred in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the Council is satisfied that the necessary funds are available, or the requisite borrowing approval has been obtained.
